

We're Getting

LOUD!

Our Goal

TO HELP KIDS HEAR & SPEAK

\$100

Assists students with a speech and language delay transition into full-time mainstream schooling.

\$500

Provides Speech Pathology assistance for one child within our specialised programs.

\$1,000

Provides one-on-one literacy intervention for one child with a speech and language delay.

\$5,000

Enables one child with hearing loss to attend playgroup classes for one year to improve their ability to hear and speak.

Raising much needed funds for the children at

Telethon Speech & Hearing
