Supporting kids
who are deaf

OUR GOAL

\$ _____

\$5,000

Enables a child to receive individual and group therapy to support their early development.

\$550

Provides five speech therapy sessions for a child needing intensive assistance.

\$100

Adds educational books and resources for both parents and children to our onsite library.

\$1,000

Supports one child with a scholarship to attend TSH for an entire year.

\$250

Supports a child to receive speech and language assessments to ensure key milestones area being met.

\$50

Can buy resources for parents and therapists to assist their child's development.

WE'RE GETTING
