

STUDENT CODE OF CONDUCT

At Telethon Speech & Hearing we celebrate each child as an individual who is on their own journey.

Telethon Speech & Hearing

We acknowledge that each child has their own individual strengths and challenges and endeavour to meet each child's needs and support them on their journey. Core to all our programs is to support and nurture each child so that they become confident in their abilities and in themselves.

As a centre that supports children who have hearing, speech and language challenges we take our responsibility to all our students, families, staff and volunteers to maintain a safe physical and emotional environment very seriously.

We require all our staff and volunteers to abide by our Code of Conduct and to use behaviours every day that demonstrate these values -

Excellence

We are experts in our field through experience, research and knowledge, delivering the highest level of services and connection in all that we do.

Inclusivity

We work with people to ensure success. We embrace others in what we do, helping to create success.

Nurturing

We create a caring, supportive environment that fosters positive outcomes, bringing empathy and wisdom to our relationships.

Respect

We recognise every person's unique abilities, operating in a spirit of cooperation and valuing dignity.

Trust

We engender trust by listening, connecting and delivering on our promises.

Empowerment

We build people's capacity, knowledge and skills in an enriching and inclusive environment.

HOW THIS IS REFLECTED IN OUR STUDENT CODE OF CONDUCT

As a student at Telethon Speech & Hearing, I will:

- » Respect and value everyone equally
- » Act honestly
- » Care for others
- » Respect and protect property belonging to myself, to others and to the school
- » Take care to ensure I am safe and help support the safety of others both physically and emotionally
- » Talk to someone about things I am unsure of or unhappy about
- » Do my best to achieve my personal best.
