Workplace Giving – Employee Setup Form & Information

Make a Difference Through Workplace Giving

Workplace Giving is one of the easiest and most impactful ways to support children who are deaf, hard of hearing, or have speech and language challenges.

A small regular donation from your pre-tax pay, can make a life-changing difference for a child learning to speak, hear, and connect with the world around them.

Many workplaces already use platforms such as Good2Give or Benevity to make this easy. If your workplace isn't yet set up on either of these platforms, simply complete this secure form and pass it on to your Payroll or HR Manager to establish regular payroll deductions.

Instructions for Employees

1. Complete the *Employee Details* section below.
2. Give this form to your Payroll or HR Manager to set up deductions.
3. Payroll can remit the donation directly to TSH – Teach, Speak, Hear (details below).
4. You can change or cancel your contribution at any time by advising your payroll department.
